

- You may purchase supplemental life insurance equal to one, two, three or four times your salary, up to a maximum of \$1,500,000. The cost is based on your age and total supplemental life insurance volume.
- You also have the option to purchase dependent life insurance for your eligible dependents. You pay for 100 percent of this coverage.

Accidental Death & Dismemberment Insurance (AD&D)

You automatically receive AD&D insurance for yourself at no cost when you enroll in the employee basic life plan.

- If you die as a result of an accident, this plan pays a benefit equal to your total life insurance amount (basic life plus supplemental life, if applicable). AD&D benefits are paid in addition to your life benefits in the event of your accidental death.
- Reduced benefits are paid for accidents resulting in the loss of limbs or eyesight. If you suffer a covered accidental loss, AD&D benefits are paid directly to you.
- You also have the option to purchase dependent AD&D for your eligible dependents. You pay for 100 percent of this coverage.

Business Travel Accident Insurance

If you die while traveling on company business, this plan pays a benefit equal to three times your annual base salary, up to a maximum benefit of \$600,000.

- This benefit is paid to your beneficiary in addition to your other life benefits and is provided at no cost to you.

Pre-Tax Spending Accounts

ConAgra Foods offers two different types of pre-tax spending accounts to help you pay less in taxes as you pay qualified health and dependent care expenses.

- Each year you may contribute from \$26 to \$4,000 (before taxes) to your pre-tax health care spending account to help pay for qualified health care expenses incurred by you or your eligible family members that are not reimbursed by any other source. (However, if you choose one of the health savings plan (HSP) medical options you will not be eligible to contribute to a pre-tax health care spending account.)
- You may contribute from \$26 to \$5,000 (before taxes) to your dependent care spending account to pay for qualified dependent care expenses that enable you or your spouse to work, regardless of which medical option you choose.

Extended Medical Plan

ConAgra Foods offers an extended medical plan for eligible employees upon retirement.

- Retirees pay 100 percent of the annual contribution plus deductibles and co-pays.
